To the Members,

The Directors have pleasure in presenting before you the 32nd Annual Report of the Company together with the Audited Statements of Accounts for the year ended 31st March, 2018.

FINANCIAL RESULTS :

The performance during the period ended 31st March, 2018 has been as under:

(In Lakhs)

S.No.	Particulars	2017-18	2016-17
1	Gross Income	1178.54	1277.31
2	Profit / (Loss) Before Interest and Depreciation	(1404.30)	(6315.29)
3	Finance Charges	1959.96	1829.25
4	Gross Profit / (Loss)	(3364.26)	(8144.54)
5	Provision for Depreciation	2163.13	2207.85
6	Net Profit / (Loss) Before Tax	(5527.39)	(10352.39)
7	Provision for Tax	(1825.04)	(1572.69)
8	Net Profit / (Loss) After Tax	(3702.35)	(8779.70)
9	Balance of Profit brought forward	-	-
10	Balance available for appropriation	(3702.35)	(8779.70)
11	Transfer to General Reserve	3702.35	8779.70

OPERATIONS:

The gross income of the Company is ₹11.78 Crores during the current financial year 2017-18 as against ₹12.77 Crores during the previous financial year. The very low turnover is due to the abnormal delay in finalization of tenders by the customers on account of changes in Government of India's policy to encourage indigenous manufacturers under the Make in India Policy. Major tenders were finalized by the customers during the last quarter of financial year 2017-18 only and hence low turnover during current financial year 2017-18.

PROSPECTS:

The order book position of the Company stood at ₹270 Crores as at 31st March, 2018. The raw materials procurement against new orders are in place and expected to be received in first quarter of 2018-19. The manufacturing will be taken up thereafter. The Company expects a turnover of around ₹150 Crores during the financial year 2018-19.

The Exploration and Drilling Activities world over has shown an increase with rise in the crude oil prices, now at 74 USD/ Barrel, thereby increasing the requirement of Tubulars and Drilling Products. In India, the Exploration and Drilling activities continue to remain at steady levels and more drilling and exploration activities are expected with the rise in the crude oil prices.

The Government of India has issued the Steel Policy for Domestically Manufactured Iron and Steel Products, including the Seamless Pipes, under the Make in India Policy. Under the Steel Policy, minimum value addition of 15% has been prescribed with input material to be sourced indigenously. The Processors of the Seamless Pipes have to procure the green pipes from the seamless pipe manufacturers in India.

These Policy changes under Make in India Policy will give the necessary thrust to the domestic Industry including Oil & Gas Sector and indigenous manufacturers of various Tubulars and the Company's products required for the Industry.

a) Structure and Developments, Opportunities and Threats, Performance, Outlook, Risks and Concerns:

The Company achieved revenue of 11.19 Crores from Operations during the current year as against 7.38 Crores during the previous year. The Exports during the year has been 6.36 Crores as against 5.27 Crores during the previous year.

The Worldwide Rig Count as of March 31, 2018 stood at 2106 as compared to 1985 as of March 31, 2017. Rig Count is on the rise. With the increase in the deployment of rigs for both Oil and Gas and the increase in crude oil prices, requirement of Drill Pipe, Casing and Tubing have started to increase.

The Exploration and Drilling Activities in India continues to remain at steady levels. More Drilling Activities are expected with the deployment of more Rigs thereby leading to increase in the requirement of Tubulars required for Oil & Gas Sector.

Due to very minimal Operations during the last 2-3 years, there is severe constraint on the availability of working capital. In order to reduce the liabilities of the Company, reduce the finance cost, increase profitability of the Company and augment the working capital, the Board discussed and approved the asset sale of Processing Plant-2. The sale of Processing Plant-2 will not affect the Operations of the Company.

The proceeds from the sale of Processing Plant-2 will be utilized for reducing the working capital liability and augment the working capital.

As per the provisions of Section 180(1) (a) of the Companies Act, 2013, approval of the members has been obtained through Postal Ballot pursuant to section 110 of the Companies Act, 2013, read with the Companies (Management and Administration) Rules, 2014. The Company had complied with all statutory compliances.

The process of sale of Processing Plant-2 will be completed within One Hundred Eighty Days.

An opportunity of being price competitive in the Gulf Co-operation Council (GCC) market is there with the likely imposition of Anti-Dumping Duty on the seamless pipe imports from China by the second quarter of 2018, in addition to the domestic market (India) which is now protected by the new Steel Policy.

The Industry is dependent on the crude oil prices and any increase or decrease in the pricing will have a direct impact on the requirement of Tubulars and Drilling Products for the Oil & Gas Exploration.

b) Internal Control Systems and their Adequacy :

Management has put in place effective Internal Control Systems to provide reasonable assurance for:

- Safeguarding Assets and their usage.
- Maintenance of Proper Accounting Records and
- Adequacy and Reliability of the information used for carrying on Business Operations.

Key elements of the Internal Control Systems are as follows:

- (i) Existence of Authority Manuals and periodical updating of the same for all Functions.
- (ii) Existence of clearly defined organizational structure and authority.
- (iii) Existence of corporate policies for Financial Reporting and Accounting.
- (iv) Existence of Management information system updated from time to time as may be required.
- (v) Existence of Annual Budgets and Long Term Business Plans.
- (vi) Existence of Internal Audit System.
- (vii) Periodical review of opportunities and risk factors depending on the Global / Domestic Scenario and to undertake measures as may be necessary.

The Company has appointed an Independent Auditor to ensure compliance and effectiveness of the Internal Control Systems in place.

The Audit Committee is regularly reviewing the Internal Audit Reports for the auditing carried out in all the key areas of the operations. Additionally the Audit Committee approves all the audit plans and reports for significant issues raised by the Internal and External Auditors. Regular reports on the business development, future plans and projections are given to the Board of Directors. Internal Audit Reports are regularly circulated for perusal of Senior Management for appropriate action as required.

AUDITORS CERTIFICATE ON CORPORATE GOVERNANCE

The Members of Oil Country Tubular Limited

I have examined the compliance of conditions of Corporate Governance by Oil Country Tubular Ltd., for the year ended 31st March, 2018 as stipulated in Chapter IV of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management. My examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the Ind-AS financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement.

I state that in respect of investor grievances received during the year ended 31st March, 2018, no investor grievances are pending for a period exceeding one month against the Company as per the records maintained by the Shareholders Committee.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

To the Members of OIL COUNTRY TUBULAR LIMITED

Report on the Ind AS Financial Statements

I have audited the accompanying Ind AS financial statements of OIL COUNTRY TUBULAR LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the statement of changes in Equity for the year then ended on that date, and a summary of significant accounting policies and other explanatory information (herein after referred to as "Ind AS financial statements").

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes of equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards ("Ind AS") specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these Ind AS financial statements based on my audit.

I have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

I conducted my audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind-AS financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Ind AS financial statements.

Opinion

In my opinion and to the best of my information and according to the explanations given to me, the Ind-AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind-AS, of the financial position of the Company as at March 31, 2018 and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

ANNEXURE – 2 TO THE INDEPENDENT AUDITOR'S REPORT:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act"):

I have audited the internal financial controls over financial reporting of OIL COUNTRY TUBULAR LIMITED ("the Company") as of March 31, 2018 in conjunction with my audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit.

I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. BASIS OF PREPARATION AND MEASUREMENT

i. Statement of Compliance

The financial statements as at and for the year ended March 31, 2018 have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

For all the periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with requirement of previous GAAP, which includes accounting standards notified under the section 133 of the Companies Act 2013 read together with Companies (Accounting Standards) Rules, 2006. The Date of transition to Ind AS is April 01, 2016. These financial statements for the year ended March 31, 2018 are Company's first Ind AS financial statements. The disclosure relating to Ind AS 101, First-time adoption of Indian Accounting Standards have been given in Note no.3

ii. Accounting Convention and Basis of Measurement

The financial statements have been prepared on the historical cost convention and on an accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i) Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments)
- ii) Defined benefit and other long-term employee benefits.

iii. Functional and Presentation Currency

The financial statements are presented in Indian rupees, which is the functional currency of the company and the currency of the primary economic environment in which the company operates. All financial information presented in Indian rupees has been rounded to the nearest thousands except share and earning per share data.

iv. Use of Judgements, Estimates and Assumptions

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities and assets. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies, as well as estimates and assumptions in respect of the following areas, that have most significant effect to the carrying amounts within the next financial year are included in the relevant notes.

- i) Useful lives of property, plant, equipment and intangibles
- ii) Measurement of defined benefit obligations
- iii) Measurement and likelihood of occurrence of provisions and contingencies
- iv) Recognition of deferred tax assets.
- v) Impairment of intangibles
- vi) Expenditure relating to research and development activities.

v. Operating Cycle

Based on the nature of products/ activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2. SIGNIFICANT ACCOUNTING POLICIES

i. Property Plant and Equipment:

- a) Property Plant and Equipment are measured at cost less accumulated depreciation and impairment losses.
- b) The cost of property, plant and equipment includes those incurred directly for the construction or acquisition of the asset, and directly attributable to bringing it to the location and condition necessary for it to be capable of operating in the manner intended by the management and includes the present value of expected cost for dismantling/ restoration wherever applicable.
- c) The Cost of major spares is recognised in the carrying amount of the item of property, plant and equipment in accordance with the recognition criteria set out in the standard. The carrying amount of the replaced part is

derecognised at the time of actual replacement. The cost of the day-to-day servicing of the item are recognised in statement of profit and loss account.

- d) Depreciation is provided under straight line method in respect of plant, equipment and buildings and for the rest of the tangible assets on written down value method over the useful life of assets specified in Part C of Schedule II to the Companies Act, 2013 and manner specified therein. Assets costing less than 5,000/- are fully depreciated in the year of purchase.
- e) Expenditure attributable / relating to PPE under construction / erection is accounted as below:
- To the extent directly identifiable to any specific plant / unit, trail run expenditure net of revenue is included in the cost of property plant and equipment.
 - To the extent not directly identifiable to any specific plant / unit, is kept under “expenditure during construction” for allocation to property plant and equipment and is grouped under Capital work in progress.

ii. Intangible Assets:

- a) Intangible asset is recognised when it is probable that future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Expenditure incurred for creating infrastructure facilities where the ownership does not rest with the company and where the benefits from it accrue to the company over a future period is also considered as intangible asset.
- b) New product development expenditure, software licences, technical knowhow fee, infrastructure and logistic facilities etc., are recognised as intangible asset upon completion of development and commencement of commercial production.
- c) Intangible assets are amortised on straight line method over their technically estimated useful life.
- d) Residual values and useful lives for all intangible assets are reviewed at each reporting date. Changes if any are accounted for as changes in accounting estimates.

iii. Investments:

Investments in Un-quoted shares are measured at Cost. Diminution/Impairment in value, other than temporary, is provided for.

iv. Impairment of Asset:

a) Financial Assets:

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- o Financial assets that are debt instruments and are measured at amortised cost whether applicable for e.g. loans debt securities, deposits, and bank balances.
- o Trade Receivables

The Company follows ‘simplified approach’ for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b) Non – financial assets:

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets is impaired. If any such indication exists, the company estimates the amount of impairment loss.

v. Inventories:

Items of inventories are valued at lower of cost or net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. Cost of raw material is determined on weighted average method.

vi. Foreign Currency Transactions:

- a) Transactions relating to non-monetary items and purchase and sale of goods /services denominated in foreign currency are recorded at the exchange rate prevailing or a rate that approximates the actual rate on the date of transaction.
- b) Assets and liabilities in the nature of monetary items denominated in foreign currencies are translated and restated at prevailing exchange rates as at the end of the reporting period.

- c) Exchange differences arising on account of settlement / conversion of foreign currency monetary items are recognised as expense or income in the period in which they arise.
- d) Foreign currency gains and losses are reported on a net basis.

vii. Revenue Recognitions:

Sales are recognised on despatch of goods from the factory, In respect of export sales, the revenue is recognised on the basis of bill of lading. Miscellaneous sales are recognised on the basis of despatch of goods. Other income such as interest etc., are recognised on accrual basis. Sales revenue is measured at fair value net of returns, trade discounts and volume rebates.

viii. Employee Benefits:

a) Short term Benefits

All employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits. The cost of the benefits like salaries, wages, medical, leave travel assistance, short term compensated absences, bonus, exgratia etc., is recognised as an expense in the period in which the employee renders the related service.

b) Post-employment benefits:

- Defined Contribution Plans:

The contribution paid /payable under provident fund scheme, ESI scheme, and employee pension scheme is recognised as expenditure in the period in which the employee renders the related service.

- Defined Benefit Plans:

The company's obligation towards gratuity is a defined benefit plan. The present value of the estimated future cash flows of the obligation under such plan is determined based on actuarial valuation using the projected unit credit method. Any difference between the interest income on plan asset and the return actually achieved and any changes in the liabilities over the year due to changes in actuarial assumptions or experienced adjustments within the plan are recognised immediately in other comprehensive income and subsequently not reclassified to the statement of profit and loss.

All defined benefit plans obligations are determined based on valuation as at the end of the reporting period, made by independent actuary using the projected unit credit method. The classification of the company's net obligation into current and non-current is as per the actuarial valuation report.

c) Long term Employee Benefits:

The obligation for long term employee benefits such as long term compensated absences, is determined and recognised in the similar manner stated in the defined benefit plan.

ix. Borrowing Cost:

- a) Borrowing costs incurred for obtaining assets which take substantial period to get ready for their intended use are capitalised to the respective assets wherever the costs are directly attributable to such assets and in other cases by applying weighted average cost of borrowings to the expenditure on such assets.
- b) Other borrowing costs are treated as expense for the year.
- c) Significant transaction costs in respect of long-term borrowings are amortised over the tenor of respective loans using effective interest method.

x. Provision for Current and Deferred Tax:

a) Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profits differ from the profit as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's current tax is calculated using tax rates that have been enacted or substantially enacted by the end of the reporting period. In the event of Tax computed as stated is less than the tax computed under section 115JB of the Income tax Act., 1961, provision for current tax will be made in accordance with such provisions.

b) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax

liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax asset is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of the reporting period to recover or settle the carrying amount of its assets and liabilities.

c) **Current and deferred Tax for the year**

Current and deferred tax are recognised in profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Deferred tax resulting from “timing difference” between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent there is reasonably certain that there will be sufficient future income to recover such Deferred Tax Asset.

xi. Minimum Alternate Tax Credit:

Minimum Alternate Tax Credit Entitlement is recognized in the books of account when there is convincing evidence that the Company will pay normal income tax during the specified period. The Entitlement is reviewed at each balance sheet date with regard to the correctness of the carrying amount

xii. Research and Development:

Capital expenditure incurred has been disclosed under separate heads of account and revenue expenditure incurred is charged off as a distinct item in the Profit and Loss account.

xiii. Claims:

Claims by and against the company, including liquidated damages, are recognised on acceptance basis.

3. FIRST TIME ADOPTION OF IND AS

These financial statements of Oil country Tubular Limited, for the year ended March 31, 2018 have been prepared in accordance with Ind AS. For the purpose of transition to Ind AS, the company has followed the guidance prescribed in Ind AS 101 – first time adoption of Indian Accounting Standard, with effect from April 01, 2016 as the transition date and IGAAP as the previous GAAP.

The transition to Ind AS has resulted in changes in the presentation of the financial statements, disclosures in the notes thereto and accounting policies and principles. The Accounting policies set out in Note 2 have been applied in preparing the financial statements for the year ending March 31, 2018 and the comparative information. An explanation of how the transition from previous GAAP to Ind AS has affected the company’s Balance sheet, statement of profit and loss, is set out in note 5. Exemptions on first time adoption of Ind AS availed in accordance with Ind AS 101, have been set out in note 4.

4. EXEMPTIONS AVAILED ON FIRST TIME ADOPTION OF IND-AS 101

Ind-AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind-AS and exemptions from other Ind-AS. The company has accordingly applied the following exemptions.

Property, Plant and Equipment and Intangibles:

The Company may elect to use the previous GAAP carrying amount as the deemed cost for measurement of items of property, plant and equipment and intangibles assets at the date of transition to Ind-AS. Accordingly the company adopted the previous GAAP carrying amount that existed at the date of transition to Ind-AS.

5. Reconciliations

The following reconciliations provide the effect of transition to Ind AS from IGAAP in accordance with Ind AS 101

A Equity as at April 1, 2016 and March 31, 2017

B Net profit for the year ended March 31, 2017

A. Reconciliation of Equity as previously reported under IGAAP to Ind AS
